great!! I am in the process of getting quotes from moving companies now...we need our CO and several things still need to get done...i am shooting for May 29th...! If we can install before we move in, that would be great. What do you think?

Excellent!

Everything is on order. The shutter will take longer than the blinds. I will follow up with you in a few weeks when things start arriving. Do you have a move in date yet?

Hi [REDACTED],

Attached is your invoice for the window treatments. Thank you so much for the order. Please review and just sent me back an email confirming and I will release your order.

I will have to put this through on the Amex you gave me to Costco. That is what they require. You will be getting a \$200.00 Costco cash card as well. Please let me know if you have any questions and have a great weekend!!

Hi Carol...I would like to get started on my order with you! Do you need to send out someone to measure our master bath for the shutter? That is what I would like to do if it will clear that faucet...or perhaps the shutter should be an 1/8" shorter or something?

Also, you measured the 2 little windows in the guest room...what was the price tag for them?

I rec'd the fabric swatches for Ty's room (thank you!) I am still contemplating on what to do there...

What is the next step to proceed? I know I signed some paper work and gave you my CC# and Coscto #...All are eligible for the Costco Gift Card, correct? Below is what I would like:

Master Bedroom: black out shade w/clutch right cord \$750.00

Master Bath: Shutter \$450.00

Ty's Bath: 2.5" comp. wood blind \$159.00

Nanny Room and Bath: 2" composite blinds \$395.00

Downstairs Bath Off Kitchen: 2 3/8" painted wood blind \$175.00

Guest Room: 2 little windows ??? (you had quoted approx. \$190.00)

Thanks, Lesley

Great! thank you for this! Need to mull it all over...please send the samples to:

[REDACTED]
120 Oak Street
New Canaan, CT 06840

I have a sample of the carpet we are installing in Ty's room and definitely want to look at this stuff all together. When should I expect to see the samples?

Have a great weekend! [REDACTED]

Hi Leslie,

I hope you are having a good weekend. Here is the pricing we discussed yesterday:

Ty's Room - Arched shutters, installed, with Hide A Tilt - \$3,200.00 (2 1/2" painted wood)
Blackout draperies with satin nickel hardware, installed - \$2,500.00 (Jeffersen Linen/Gray, or Carrara/Sterling)

Your Bathroom shutter - Composite, Silk White, Bi-Fold with Hide A Tilt - \$450.00

Let me know what you think. I will send you samples of the drapery fabric, but what address to you want them sent too?
