So happy Ty showed us the dance at your house. I recognized his dance moves!! Yes, Ty did a nice job on his story and how cool is it that the teacher can share the actual reading of the story with pictures like that!!?

Hoping y'all will have time to stop here on your way home!!

Glad the fishing pole is getting some good use. Ty claims the fish popop caught is definitely his fish he almost caught ;)

Ty has quite an imagination in that story.
