Ok, good to know...can you confirm the below to be correct? (Or correct me if I'm wrong!?)

Thanks so much! Unfortunately, they are still in the process of procuring a replacement. Google's processes are much more involved than ours were back in the day! [REDACTED] should be checking his email and voicemail to help Tim until then....

Hi Lesley,
I just wanted to let you know that tomorrow is my last day with Tim. I have an associateship at a firm this summer and will be graduating from law school this December. I've been attending Fordham while working for Tim for the past few years.

I just wanted to let you know that it's been a real pleasure working with you and I have never worked with someone more personable or efficient than you. I hope our paths cross again in the future.

Best,
Angela

Understood! We'll reschedule.
....shall we go to Minetta and finally meet in person??
I'd love to if you have time. Or if you only have time to ever go to dinner with that one special person in your life I would be more than happy to make reservations anywhere in the city for you. Just let me know!
