...This is an ACTUAL DRIVING ADVISORIES ALERT...

Issued By: VITEMA
Affected Jurisdictions: St. Thomas County

Headline: Reports of Several Flooded Roadways and Falling Rocks on Crown Mountain Road on St. Thomas

A Flash Flood Advisory is in effect for the island of St. Thomas which currently experiencing heavy thunderstorms. VITEMA's 911 Communications Center have received several reports that large rocks are falling along Crown Mountain Road and that roadways across the island are flooded, including along;

Main Street

Harwood Highway

Brookman Road

Tutu - vicinity of the Tutu Park Mall entrance and Metro Motors

Griffith Park area

Lindberg Bay vicinity of UVI and the Police Station

Nisky

Altona, vicinity of Gottlieb Gas Station

VITEMA urges motorists to proceed with extreme caution. According to the National

Weather Service additional rainfall amounts of one to three inches of rain are possible on St. Thomas. Never drive your vehicle into areas where the water covers the roadway. Flood waters are usually deeper than they appear. Just one foot of water of flowing water is powerful enough to sweep vehicles off the road.
