Morning sue. Did you have a chance to look for the blow up mattress? I know [REDACTED] is going over this morning to clean 11J. I can ask her to have a look. We need the pump to blow it up also. I suppose if we don't have it we could put the family in 11J and the kids could sleep on the sofa. I don't think any other apt has a sofa that is good to sleep on (do we?).

If we still have it under a bed somewhere it would be great to let the kiddos sleep on it. Can you let me know ASAP...either that or do any of the apartments have a pull out sofa? I know 10N did, but that is where Julia now lives, right?
