**Subject:** Plumber at house!

Ray, plumber is at our house today! Could you come Tuesday to install the mirrors? Also, Bob is asking you please install the sink back on the powder room wall. He says you need to make sure it fits back in. I will work from home on Tuesday and come over as well around 11. I can Bring you a check end of the day when you are done also for my portion. :)

Let me know! [REDACTED]
