ah! I actually think that is a great idea...it is sneaky...but ...let me ask Jeffrey if he is ok with putting under another name and CC#...would Peggy be ok with this?

Oh my!! Hopefully we figure this out soon.

Another option I was thinking- but I'm not sure if it would work. Would be to be sneaky and place a separate request to the Cabaret house ticket person, Roseanna. She only was able to give 4 per person but maybe if we requested under a different name we could finagle it? Just trying to weigh out our options..

Just spoke to him an hour or two ago and he told me he would get back to me this afternoon. I'll try again in an hour and try to light a fire under his feet.

Also, I am going to follow up with Alan Cumming and Hylda Queally from the production.
