I called around...one scalper told me only mezzanine is available...no more tables...but then another scalper said he could get a table of 4 for \$750 per a ticket! yikes!...

Just spoke to him an hour or two ago and he told me he would get back to me this afternoon. I'll try again in an hour and try to light a fire under his feet.

Also, I am going to follow up with Alan Cumming and Hylda Queally from the production.

All the best,
Amanda
