ah, yes... Thorbjoern Jagland was supposed to depart Frankfurt tomorrow with his wife and 3 grown kids...I booked them all flights ...we cancelled Jagland's ticket all together but the mom and kids will still come..they are staying in PB April 12 -19 (they were going to make a trip to the island and STT but i cancelled that portion) Don't know what JE has up his sleeve re Jagland though...if I hear anything will let you know.

Yeah, he asked me how long we could fly the G4 before it has to go in for maintenance. He mentioned something about a friend in Ukraine that can't leave, any scoops from your end?
