Neil! I can't believe this, but yesterday late afternoon, my boss had another doctor give us a call back who has agreed to do the entire Dyslexia testing in one day, this Sat. April 12th...Since this is ultimately what my boss wanted we are going with this other research center. I am so sorry to cancel on you and your kind offer to do half the testing this Saturday...but we must decline. I will keep you in our contacts with a 'star' next to your name...Once again, i apologize for having to cancel and hope we didn't mess up your schedule. Just think, you can spend more time at the dentist with your kids ;)

Sincerely,
Lesley

Hello Neil...thank you so much for helping us
out. The girl we would like to
send to you is:

[REDACTED]

She goes by [REDACTED] believe she is [REDACTED]
old and is from [REDACTED] She [REDACTED]
will be taking the [REDACTED] soon and wants
[REDACTED] so she will
be afforded more time.

I am in the midst of speaking with my boss
regarding your request for \$2500
(half payment) for this Saturday's test and
hoping we can set up another
appointment for her to complete the testing
next time we can get her to NY city.

I neglected to write down your actual
address...I have 88th street and West
End...can you confirm the actual address is
575 West End Ave?

Thank you,
