Hi [REDACTED] confirmed for 2pm. I believe this meeting should run an hour long. Rich and I have other issues to discuss with Jeffrey also. Will his schedule permit time either after or before the 2pm. Separately, we have a candidate for our family office for Jeffrey to meet. He said he would like just 10-15 min with her. Would tomorrow morn at 8 or 8:30 possibly work? Her name is Tara Macoig.
