Hi Jerry...so happy you and your family had a great time in NY! I will get back to you re an apt on May 3....and will let Jeffrey know of your kind offer to help pay for the maid's time...sorry for delay in response as I was on holiday last week. [REDACTED]

It was such a joy for the family to have an opportunity to use an apartment this week. The use of one of the apartments, when available, is a gracious gift and much appreciated. While there is no way I could compensate you or Jeffrey on the total capital cost, it seems fair that I could pay for the marginal cost of my stay when an apartment is available, i.e., maid's clean-up cost. If you agree with this, please let me know. Certainly such a token payment would not diminish my appreciation for the opportunity.

If you have an apartment available on May 3, it would be much appreciated. If not, it will be totally understood.
