I don't think we are moving in until mid may now. Things just move slow. We are in FL next week also.

Ike and [REDACTED],

There were 4 showings of your property this week. There are currently 5 other rentals available in New Canaan that are within the same price range as yours.

What is the current move in date for the new house? Next week or the following week we should lower the price if we don't get an offer. I will be in Florida next week. Emma in my office may send the update. If people inquire about the house or want to make an offer I will handle it while I am away.
