Subject: Promotion for The Home Depot blinds

Hi [REDACTED],

Hope all is well. Don't know how your decisions are coming along on the blinds/shutters, but I wanted to let you know we are offering an extra 10% off, which installation is also included. Home Depot doesn't do these promotions very often, so this is a good time to take advantage of it. This promotion ends on May 7th, 2014. (Need paperwork signed by that date). It will be here before we know it! If you are still thinking of doing shutters, I have to send the installer to measure, which may take time. Let me know your thoughts, any questions, or if you're ready for me to send the installer out.

Have a great weekend!
Colleen Barys
