Hello [REDACTED],

Just checking in to see if you got the design and quote.

Hi Tom...just spoke with your sprinkler guy, Jim! He is going to scan and email me his quote...he says the 2 of you got together and walked my property so he would have everything covered when it comes to your ideas...were you going to shoot me over your quote? You had mentioned you thought it would be ready by now?

Would be great to see!

Thanks, [REDACTED]
