Sorry I did not reply yesterday! I will try to give them a call today. I feel good about it though cause its different. We just have to prey for great weather. Rain would completely suck!

Also, make sure to check your passports that they are valid for our trip in August. They also must be good for 6 months after the date of travel. I checked ours this morning and we are good!

we just need to pull trigger on Adventure Camp...I get worried that it will suck and then you will be like "shit, why did I agree to do this?!!!" Do you want to call them or do you have any additional questions about it?
