Hi [REDACTED]

We will arrive Tampa at 2:18pm via Delta #1875..will you guys pick us up? I will forward you our itinerary again...

We are leaving for Disney on Wed. April 16th in mid morning i would think...do we need to rent a car? Ike thought we might be able to borrow a car? We will return on Friday 18th late in the evening (we plan to spend the day at Disney and drive home afterwards...will be a big day)

We depart on April 20th at 11:35am

The pasta meal is by far our favorite and we look forward to it! Anything else you do will be great. No need to go nuts...BBQ outside is perfect!

Counting down the days!
