Tell Jeffrey that is no problem whatsoever and I'll gladly screen the movie, I really don't want to be paid :)

So don't you worry! I just need a count of the people, we can hold 11 people max

Hi Gini! Hope you had a nice weekend...Jeffrey is asking if it would be at all possible to have some of the people who work for him (assistants) in to view Woody's movie at 5:30pm on Wed. April 3rd? (or Tues. April 2nd, but Wed. is better) Jeffrey would like to offer you \$200 cash to stick around after 5pm to do this for him :)

Let me know if this would work for you!

Thanks, [REDACTED]
