Subject: JE trip to phoenix

[redacted] can you please pack him an overnight bag for his trip to Phoenix tomorrow. It is just one night so I doubt he will need much.
The list for hotel stays is on base camp.
You will also need to take some food items, a small list is also on base camp. It is simple... muffins and a couple of other things... and don't forget the butter spray ...;)
Please confirm receipt of this.

Thank you!!!
