HI Rafal.first, congratulations on your promotion!.We can wait a couple of weeks to do our current bathroom re-grouting. But I believe Bob will want to get a tile guy in for the new house ASAP. Bob, do you want to get your own guy to come do the work? Do you want Rafal to recommend someone? Please let us know. Rafal, lets touch base in a couple of weeks. If you are not able to do the work, we will need to get someone else and would very much like you to recommend someone.

Thanks, [REDACTED]

I got promotion unexpectedly, which means I have more responsibilities and not much free time. If you could wait with it couple weeks I think I'm be able to do it in one point in April. If not I might be able to recommend you for someone else. One more time, I'm sorry. I know we scheduled it a month ago but there is nothing I can do about it right now.
