Hello Carlos...I am very good friends with Paula Garrity and she has passed along your email address to me...I am building a new home in [REDACTED] and need to get quotes on an irrigation system as well as landscaping. I am not sure if you handle irrigation(?) but I do know your company handles landscaping.

Might we be able to set up an appointment for you to come to my home, take a look around and give me a quote for new plantings (and irrigation if you do such a thing)?

Thanks,
