Yes, reading time in bed.... such great memories I have when reading to my children. Thankfully I saved most of the books to share with my daughter [REDACTED] - I have also started to collect new books for future sleepovers with "Nona". And thank you I too think they are so darn cute plus squeezable!

Standing by to assist with planning once you speak with Jeffrey.

Best,

Claudia

Hi [REDACTED]

As always, it was nice catching up. I can't believe [REDACTED] is now [REDACTED] don't you just wish time would slow down at times?? ☺

Attached are pictures of [REDACTED] and [REDACTED] taken two weeks ago. They are SO much fun ... very good babies.

We would be delighted to host Jeffrey/guests at our Lab in Bellevue to include a tasting, tour plus a brief show of Nathan's office if time allows (located 4 miles from Lab). I don't have a set of directions coming from Boeing Field but have attached a set coming from Sea-Tac Airport (southwest of Boeing Field) and downtown Seattle for reference.

Once available, please provide Jeffrey's approximate arrival time at the Lab plus how much time he has available. Also, guest information including any dietary restrictions so I may convey to the culinary team.

Let me know if you have any questions I can assist with....

All the best,

Claudia
