Spring Arrivals at Capstar

We are starting to see blue sky and sunshine after what feels like the wettest winter in years. Appropriately for the new season, its all very much about growth this month. We are receiving delivery of six brand new long-wheel base Jaguar XJs this week-straight off the production line. All of our cars have also been fitted with the distinctive Capstar 'Garter Star' on the front grille and the new badges are already turning heads!

We are always looking for ways to improve your experience with Capstar, and this month we have updates planned for our website that will make it even easier for you to book a Capstar Chauffeur.

In response to demand the Range Rover, one of our future fleet additions, made its debut at our recent photo shoot. We are looking forward to announcing the updated fleet in time for the shooting season, as well as luxury people carriers very soon.

Along with the promise of better weather and longer days, we are starting to look forward to all the summer season has to offer in terms of major events. So whether it's a corporate occasion which needs a dose of Capstar style, or a Chauffeur for yourself, we'd love to help make your day even more enjoyable.

Thank you,

Charlie Bowmont,
Managing Director of Capstar Chauffeurs

Have you booked your Capstar Car?

Dates for Your Diary...

Spring is here so let Capstar help you make the most of the sunshine.

Mothering Sunday,
Nationwide

February's tube strike proved a busy time for Capstar as we scrambled all our cars into

We are thrilled to announce that we will be providing cars and drivers for the West End

We are delighted to introduce new team member, Triochan or "Tri", as he is affectionately known. As a commissioned officer, and respected presence within the community, Tri will be combining his Chauffeuring duties with the placement of Gurkha couples into private residences. We will be hoping

central London to meet the demand for those left stranded. We were fortunate enough to be able to come to the aid of some particularly special passengers; the team members of the upcoming Skiing for Heroes trip. The team included H4H Ambassador, Tom Stimpson MBE (pictured above). We wish the team all the best for their great adventure.

Heroes event, a charity gala performance at the Dominion Theatre on the 28th of September. The show, which features major hits from the greatest west end musicals and the finest military musicians, is now in its second year. Tickets for 2014 are on sale now; simply  to buy. If you are at the cinema in the coming weeks, look out for the Pearl and Dean advert for the show featuring the Capstar logo!

that Tri will also source additional Gurkha Chauffeurs for Capstar.
