Hello [REDACTED] can you please send me the proper spelling of your name as it appears on your passport ASAP? I have in my contacts that it is: [REDACTED] [REDACTED] but I see it is spelled [REDACTED] in your email address. Also, if you have a middle name I need to know this... I show your birthdate as June 12, 1988.

I need all this in order to book you a ticket to Albuquerque!

Thanks, [REDACTED]
