We need a complete sprinkler system for gardens and lawn

At least 6 to 8 tandems of topsoil

Grade and seed with hydro seeder (option for sod)

Need screening from neighbor in rear (white pines)?

Need plant list for front gardens and screening on the back side of the wing wall for the backup generator.

Front driveway stone rear driveway paved. Fix curbing

Install basketball hoop (owner supplied)

You have to make it simple for him. He can have Staples blow this plan up for him. He probably has one of those landscape programs.
