Hi [REDACTED]

Further to our telephone conversation, yes March 17 and March 20 are counted as U.S. days.

Have a good weekend.

Subject: Question on Day Counting!

Hi larry...I need a quick lesson...

Jeffrey went to Vancouver on March 17th from Albuquerque, NM...he stayed in Vancouver until March 20th...he departed on March 20th at 11am and flew to Seattle...from Seattle he flew back to the Ranch March 20th evening..

What are March 17 and March 20 counted as? US days? Abroad days? Can you help me? I'm sure March 18 and 19 are abroad days...Jeffrey is asking me to give him a day count.

thanks so much, [REDACTED]
