Hi [REDACTED]

Nathan is coming from midtown, leaving around 2P. His driver wasn't available today so he may take a cab or uber. I just wanted to let you know that he may be a few minutes late but we are definitely still on!

Thank you!

Natalie

Oh my! Jeffrey's schedule is super packed!! I know how much Jeffrey and Nathan enjoy each others company and changed Nathan to 2:30 so they would have more time to together. Jeffrey's next appt is not until 4:00 but it is one I really can't move. If ok we would really love to keep the 2:30!! [REDACTED]

Hi [REDACTED]

Nathan has had some shifts in his plans for Wednesday PM and was wondering if Jeffrey could meet closer to 4 or 4:30, as his place is close to the next meeting he has. My feeling was this may not work since Jeffrey wanted to meet earlier, but I thought I would give it a shot. 😊

Let me know if that won't work and we'll stick with the 2:30.

Thanks!

Wonderful! Thank you so much. He will be there at 3P.

Would you mind calling a cab for him when they wrap up – just to go back to the Peninsula.

Have a great week!

Natalie

It's possible I could make some time open tomorrow around 3P if that works  
too.
