I need to take my son to the doctor...can we meet at 11:30 instead? Or you can go on over at 11am and I will get there as soon as i I can...but you can have a look around and gather some ideas. I like boxwoods, evergreens for coverage...I like plantings that are structured, more manicured...I do not like long weed looking things :)

Ok super. I am trying to work from home this Friday and could possibly meet then. Say 11am? Would that work on your end? I can send you a PDF of the house and plot also in the interim.
