Let's see how the day goes. If he feels ok this afternoon and hasn't had fever during the day, I'm sure he could attend practice.

ha, [REDACTED] just got up saying he feels so much better! His throat hurts but he is ok...I am still going to keep him home and see how he does. I never really know what to do! I don't want him to miss Variety Show practice either...he will be so behind...what do you think?

Hi [REDACTED] Hope y'all are enjoying your weekend...! I have a little favor to ask if possible! I have an appt at our new house tomorrow and am afraid I won't make it to the [REDACTED] 4pm...might it be possible for [REDACTED] for a mini playdate afterwards? I think I should be done by 4:30-ish...I know you have 3 kiddos and if you are going in 10 different directions, no worries...

LMK! Thanks, [REDACTED]
