I called contact in KZ told her to get me an apt. in NYC on Wed so Indira is on it, I hope.

I can go to consulate on Wed while Larry is in meetings and get it done.

Can you ask Jeffrey if Larry should have security?

yes, I hear you...

I always hate giving up passports and relying on fed ex and other people...does Larry have a 2nd passport by any chance? I guess not or you would be sending it...jeffrey is behind a closed door in a meeting at the moment...

Indira:

The DC contact at the consulate made me nervous. He said, he could 'try' and get Larry's Visa and passport back to me before Larry leaves on Wednesday. I don't want to send off Larry's passport to get a Visa if they can't get this back to me before he leaves on Wednesday.

Larry and I will be in NYC on Wednesday. I could go to the consulate in NYC with Larry's passport and the application filled out and get his Visa but I need someone to get me an appointment.

Can you be helpful?
