While we settle what's happening why don't you hold on to the 9:00 car, not sure yet if I'll still need it.

typo, come as planned *or* give up and return early

do hope we can still make this work, too difficult to align calendars

Given the difficulty to schedule this, I'd also vote for Ed via video, or arm-twist Ed to take a just-in-time Shuttle to join. This isn't worth a heroic effort to re-re-schedule.
I am in NYC this afternoon, will keep an eye on email to come as planned to give up and return early.

I agree...getting all of us in the same room at the same time is obviously difficult, so four out of five isn't bad.

If it weren't for tonight's appointment, I would have been on a plane yesterday headed for vacation with my family.
