Thank you so much! Luckily my family never catch anything from me. I try not to get close to them and keeping my hands wash at all time, it's freeIng cold outside. Hope your son get better as well. I let you know how i feel! I just have no energy at all with this flu. Thanks again.. Later...

Hi [REDACTED] ..sorry you are still not feeling well...my son is also now suffering from fever and general not feeling well! We do not have any guests scheduled at the moment. Tomorrow should be fine to clean. If there is an emergency maybe Lyn can go , but I doubt there is...we will need apartments come the Thur/Fri of this week...Feel better.

Hi Lesley... Good morning! I know that i have to clean the apartment 11J and 10B today. I been trying my best to get better over the weekends and I plan to come to work today but I'm still not feeling well and have a really bad headache and fever and dizzy. Is someone is schedule to used the apartment this week? I really plan to come today but my body can't. If i get better today can I do it tomorrow? Please let me know. I plan to see my doctor today if i don't work today. Thank you.. [REDACTED]
