Subject: To Cindy Re Jeffrey Epstein friends trip

Hi Cindy! Sorry ! I just listened to your vm and it is after 5pm! Jeffrey would not be staying at the Ritz so I don't believe the Jagland family will be able to participate in the amex amenities program...which is fine...and I do understand we would need to pay a a deposit ...

I see you were able to secure 1st class seats for the adults on April 14 from Miami to STT..that is great...I don't see a price tag..

I'm sure this trip is all still a work in progress and appreciate you grabbed those seats when you saw them.

We can talk tomorrow...I will be available around 9:30am..

Thanks for your help. [REDACTED]
