I have obtained the below from the website: [www.cic.gc.ca](http://www.cic.gc.ca) (I called the Canadian Consulate in Washington...their message says to visit this website for the answers)

Sweden: You do NOT need a Visa to visit or transit Canada.

Poland: You DO need a Visa if you are a holder of a non-biometric passport only. If you are a holder of a biometric passport (e-passport) you do NOT need a visa.

Belgium: You do NOT need a visa to visit or transit Canada.

South African: You DO need a visa to visit or transit Canada. \*Amex Centurian gave me the number to their visa services dept ([www.visacentral.com/amex](http://www.visacentral.com/amex), 866 529 6553) I was told if you have a Green Card and are going for business No visa is required. If you do not have a green card you must obtain a visa to visit or transit Canada\*
