Larry is in NYC for a speaking event on the 13th, he could fly down earlier in the day on the 13th after class on a 2p flight and meet around 4p before his 6p speaking commitment. Also, it appears that they agreed to go to Kazakhstan March 19th departing late in the day maybe for a few days.

Let me know what transpires because Larry is in NYC on the 19th doing an event at the 92nd St. Y and could depart after the event about 9p.
