Subject: Tickets for [REDACTED] and [REDACTED] look good!

I was able to speak with Amex about both tickets...I think we will be good as long as JE doesn't mind that [REDACTED] will arrive the island on the 9th and not the 8th...he is saving money this way!

As soon as I get the tix I will include you on the email to Jeffrey.

I purchased [REDACTED] ticket and put [REDACTED] on hold...
