Hi Lesley  
Thank YOU  
I'm at the moment at home  
during in hour..  
than will be near 9 pm

Hi [REDACTED]...Bella says she can set up a call for you with Time Warner ...you would need to be home for the call...hopefully, they could walk you through the issues you are having...can you coordinate with Bella when you will be home to accept a call from Time Warner? If this does not work, we will go from there with having someone come over...
