Hi Marie...thank you for your reply...you are correct, Jeffrey has said he will not be able to attend...but he is still filling the table with his important friends...and one never knows if at the last minute Jeffrey may swing into NY and go himself (between you and me ;)

I have passed along to him your questions re any concern or sensitivity...we will see what he says.

...and once you are completed with this arduous task of table management, please do let me know the results for Jeffrey's table position, etc.

Thanks, [REDACTED]

Of course, Jeffrey will have one of the premium tables at the event but that the precise locations won't be finalized until they have figured out how the stage will be placed. Is there is something about which he is concerned, or to which we should be sensitive? Also, based on the last info I have, I have Jeffrey as not coming to the event but filling is table. Is this still the case?
