Hi there!

So, we're all set for a 7pm reservation on Saturday. Dress is smart casual (no jeans), and the guys can wear a sports jacket if they like (although I noticed it was a bit hot the other night, so Steve will probably not wear one).

Steve will drive us all there, so come to our house beforehand (6:30-ish) for a quick drink. We'll leave around 6:45pm.

Looking forward to it!
