Good morning! Just back from taking Lola to her first doggie vet visit. She did very well. :)

Next, I'm taking Pete across town to pick up his new Nissan Nismo. He's going to sell the Mini on Craigslist. . . it would be nice to keep it for Braden, but he doesn't want it sitting in our driveway for 3 years (but the Mini is completely paid for. . . I don't know, it may still be up for discussion).

I ate WAY too much last night. I drank a lot too, but that doesn't bother me as much as the food.... I wish I would have more self control about desert when I drink. I do fine with apps and ok with dinner, but overboard w desert. pisses me off! I have to exercise later.

Anyway - Pete wants to just hunker down tonight -- and I understand. He had a week's worth of party . . .

They did put their ski stuff away yesterday -- it was good to have company - it sort of forced them to. But the mess is already started. . . oh well.

Ill talk to you later!

I agree the week flew. Probably cause we had Monday off! We saw the lego movie that day and it was very cute!

We have 3 BB games .. 2 of which are in Brewster. We don't have evening plans either! Tonight will be Cherry street just is and tomorrow I have Cloudy with a Chance of meatballs 2 to watch and we will just order pizza. I like easy going weekends so fine by me! Ike and I went out last night and had a great time. Our 11 year anniversary is coming up march 15. Can't believe it.

Glad to hear Pete and the kids had fun. They are making lots of nice memories together. Don't worry about the house...but I totally understand. I gather up all Ike's papers and all the crap I don't like to look at and throw it in the pantry area!! Drives me crazy.

Actually maybe we could have y'all over on sat night if you wanted. Let me talk to Ike. :)

Getting ready to leave work!

gosh - this week flew by!! what were you up to? what are you guys doing this weekend? It is supposed to be a beautiful weather weekend (warmer!).

Pete and kids got back earlier today - they had a blast! perfect skiing conditions they said. It was so nice to have the house completely 'in order' for a week! I loved it!!! pete texted me and said they are doing their best to mess everything up before I get home tonight. . . :(

we are having the Witz's over for dinner tonight, but nothing planned for Sat or Sun -- seems weird.
