Subject: Two chairs - February 12, 2014

Greetings Rich B,

I need a favor again :) Sue arranged for 2 chairs to be sent to STT - I am presuming they were in the NY house - if this is not the case, I will wait to catch up with Sue.

If they are, can you give me a general description, so I can create an invoice to get them shipped? And if you have any idea what country they were made in, that would be helpful also.

I have already reached out to Sue, but I know she is in South Africa, so I hope she has internet service to pick up my email.

I am just pursuing everyone, just in case. Thanks, DW
