mime part 2.eml

gallowaycap.com Delivery Notice

Message Delivery Issue

Delivery has failed to this recipient: ████████████████ The e-mail address you entered couldn't be found. Please check the recipient's e-mail address and try to resend the message.

Please verify accuracy, spelling and correctness for the domain: gallowaycap.com in the email address you are attempting to reach.

This bounce notice sent by bounce.io on behalf of gallowaycap.com

Why did I get this message?

What Next?

You should check the domain name of your recipients email address (The part AFTER the @ sign) for any misspellings or missing letters.

Ensure that your Address Book has not stored an incorrect email address for your recipient. Consider contacting your recipient through alternative means.
