Hi [REDACTED]

I wanted to touch base with you and Jeffery about the ballet care fund again. Kindly if you wouldn't mind asking him....we have a round of injured dancers again because Romeo and Juliet is coming up. When the last funds ran out so fast {I wasn't comfortable asking so soon} we continued to treat because there were a bunch that needed treatment and we couldn't say no.

If he ever wanted to have a private showing at the studio I could arrange that for him and his guests. It is up close and personal amazingness. They have done this for big donors in the past.

Please tell him thank you so much for considering.....I hate asking but the company asked me and sent over dancers again.

Thank you again and I sure hope you all are warm up there.

Sincerely, Dawn
