Hi Lesley

You should be able to get the book in NYC

We have a copy here if I need to send

You can mention he called for an hour

Telling me what he has done over the last 20 years, I really did not say much as he had a lot to say

Again this is all about a Well called Popes Well which he trying to get info on

Has a lot of history on this, put him off until 6:30pm today, Brice was going to

call since this is more his area, someone else can call if they like

Clearly he has all contact numbers via Lucy whom JE got everyone to reach out to

Have checked him out as best as I can - seems the real deal

Let me know if JE does not want us to make contact with him

Thanks

Lucy Lippard of Galisteo gave my number to a historian named Jack Smith who left me a voicemail asking if he can go on the ranch sometime. [REDACTED]

Should I have someone call him back?

I have Lucy's info in my contacts, so this must be someone we reached out to at some point. In notes I have her as the author of Down Country
