Hi Billy...no not ready...question though...I know you have quoted me on 8 lb padding...do you have a 6 lb padding you could quote me on? I have samples of padding the the 6 lb seems softer to us...I realize that 6 lb is considered the 'low end'....
thank [REDACTED]

Good Morning [REDACTED] I was just following up with you on the carpet to see if you are ready to move on it ?

Thank you !!
