Dear all,

Noted.

Please send me your guests email addresses (and if possible postal addresses too) as soon as you can.

Also, just wanted to confirm that Michel Hazanaviciuous and Berenice Bejo have already been invited by Fox France in addition to Jean Dujardin's list provided by his publicist.

Many thanks in advance and best regards.

Damien

Hi Peggy,

I'm looping in Damien Golla who can help with the 10 seats for Paris.

Please pass along the names and email addresses/contact info and he will send out invitations.

Thank you!

#1. Spoke to Farrah...we are all organized. I am focusing on the famous...than the rich. We are helping to contact actors that are possibly on her list as well. She is seating my 30 seats together and 24 of my 30 are gone.

#2. Need the Paris contact for our 10 seats. Prince/Princess d'Arenberg may come. Also will look for Michel Hazanavicius and Berenice Bejo from "The Artist" for Paris...not sure Jean is talking to them. Will check.

We are very excited about NYC premiere tonight. Have a very sophisticated crowd who will love the film because the own or are still looking for all this art.

xoxo Peg
