hmmm, did you ask JE? I think JE is just going to 'hang out'...I have not contacted anyone at TED re JE going...the website is <http://www.ted.com>

But this is one of those situations where I would not reach out to someone without speaking to JE first about it. This being said, I know back in 2012, Jeffrey was speaking with Chris Anderson about TED... but I would not contact him without asking first. I don't even know if Chris is still working with TED
