We think this should work for Nathan's schedule, but we still have to do our final schedule check with Nathan and that may not occur until this afternoon. I've cc'd Claudia because I will be leaving in a few hours to start my vacation.

Claudia will be in touch as soon as we have a definitive answer.

Thank you so much for all of your help working this out!

Natalie

He'll be getting in late that day so I don't think a meet up would be possible.

Hi Lesley,

I hope you're doing well!

Nathan will be in NYC next week and he wanted me to check if Jeffrey would in town as well? Unfortunately, we don't know yet whether his schedule will allow for meetings during the beginning part of the week, or end of the week. Can you give me an idea as to Jeffrey's availability – hopefully we can set something up.

Thank you!

Natalie
