Hi David...just following up...I understand you can make it to the dinner Jeffrey will be hosting on Sunday Jan. 26th...but will your "card guy" be available for the dinner as well? (and if he is, can you let me know his name!)

Details for the dinner will come soon...at the moment the start time is 7:30...not sure if this will be held at Jeffrey's home or in a private room at a restaurant here in the city...will get back to you on the details!

Let me know about your "card guy"!

Thanks, [REDACTED]
