Hi Lesley!

I'm all settled in! THANK YOU! LOVELY kale, salmon, WATER! YAY!  
Much appreciated!

I'm wondering if there's a hair dryer somewhere (there I go again!) and I'm likely to need another 1-2 rolls of toilet paper (I found one extra roll...just hate to run out in the middle of the night and I do drink a lot of water!). Shall I try to get to Duane Reede or is there a supply in the bldg?

Trust you're well! My meetings start mid day on Wednesday, so I'm likely to sleep in a bit, then head out by 11:45 or so.

xoxo
